

Govt. College for Women, Gohana

Lesson Plan(2020-21)

Name: Kavita Saini

Class :B.Sc-2nd(Sem3)

Subject: Zoology

17 Aug to 23 Aug	Principle and general classification of chordate
24 Aug to 29 Aug	Origin and evolutionary tree, Role of amnion in evolution
31 Aug to 5 Sep	General character and classification of protochordates
7 Sep to 12 Sep	Affinities and economic importance of protochordates
14 Sep to 19 Sep	Type study Herdmania-Herdmania- External character , restore tunic, mantle, atrium, digestive and blood vascular system
21 Sep to 26 Sep	Type study Amphioxus
28 Sep to 3 Oct	Type study Petromyzon
5 Oct to 10 Oct	Type study Labeo rohita
12 Oct to 17 Oct	Type study of Frog
19 Oct 24 Oct	Gametogenesis and gametes
26 Oct to 31 Oct	Fertilization and parthenogenesis
2 Nov to 7 Nov	Cleavage and blastulation
9 Nov to 14 Nov	Fate map construction, gastrulation and development in chick
16 Nov to 21 Nov	Elementary knowledge of primary organizer and extra embryonic membrane
23 Nov to 28 Nov	Competence, determination, differentiation, repair and Regeneration
30 Dec to 5 Dec	Concept macro and mega Evolution , theories og organic Evolution
7 Dec to 12 Dec	Concept of microevolution and concept of species
14 Dec to 19 Dec	Concept of macro and mega Evolution and Evolution of man

21 Dec to 26 Dec	Given assignments related to topic and revision
28 Dec to 2 Jan	Cls test assignments
