## Policy document

### Policy document for the persons with disability/Divyangjans

#### Introduction:

The Persons with Disabilities Act 1995 indicates that disabled persons should have access to education at all levels. The University Grants Commission (UGC) is committed to support the persons with disability studying in colleges of the country to offer special education, with financial assistance and to provide special education programmes as well as infrastructure to differently-abled persons. The infrastructure needs to be designed in a manner to enable them to easily access to classrooms, laboratories, toilets, etc.

Our College recognizes the importance of providing reasonable assistance in its policies and practices when necessary for students with disabilities to use and enjoy college hours without any adversities.

#### Objectives:

1. To provide equal educational opportunities to disabled persons in higher education institutions.
2. To create awareness among the staff and students about the specific educational needs of persons with disabilities.
3. To ensure accessibility of facilities to disabled persons.
4. To provide appropriate financial assistance to disabled students to increase their sustainability in higher education.
5. To implement all existing and future legislation and policies pertain to higher education of persons with disabilities.
