

## **Best Practice-1**

**Title : Skill based education**

**Objective of the practice:**

- To provide practical information to girl students.
- To include relevant skills into higher education.
- To give skill-based education to students who are currently pursuing higher education but want to get into the workforce as soon as possible.
- To provide industry exposure.
- To enhance their ability to communicate
- Raise awareness of the financial benefits of using social media.
- To raise awareness of the benefits of e-learning

**The Context:** This practice aims to develop their skills along with academics.

**The Practice:** College recognizes the value of skilled based education as a career path and has taken a number of significant steps in this direction during the session. The department of English hosted a one-day session on "writing bio-data" to help students improve their writing skills. The Department of English also held a one-week workshop on "short-term English speaking" to help students improve their communication abilities. One months internship program on "Social Media Marketing" was conducted by Appwars Technologies. An extension lecture was organized by placement cell on "Career planning and Managerial skills". College has successfully completed five add- on courses in Counseling skills, Certificate course in Tourism, Certificate course in Gender studies, Certificate course in Practical Taxation, and Certificate course in Public speaking under the guidance of DGHE scheme. Apart from that, our college has signed an MOU with Atul Insecticides India to supply science stream students with skill development training and to upgrade their level to current market trends. Our college students visited the site as part of this MOU to receive hands-on instruction.

**Evidence of success:** The writing Bio-data workshop was completed by 216 students as a result of this activity. "Short term english speaking course" was successfully completed by 195 students. One of our B.com Hons. students, Komal, won a certificate of outstanding achievement after completing a one-month internship programme. 253 students successfully completed add-on courses.

## Problems encountered and resources required:

- Lack of internet facility in rural areas
- Lack of parental and local support

### ADD ON COURSES

2020-21

Co-ordinator

1.2.2.1

Sh. Anubish  
for u (action)  
4/12/2020

From

Director General Higher Education,  
Haryana, Panchkula.

To

All the Principals ( List attached ),  
Government Colleges in Haryana state.

Memo No.: 8/3-2020 C-I(1) Dated: 2/11/20.

**Subject: - Syllabi for "Value Added Courses"**

\*\*\*\*\*

Kindly refer to the subject cited above.

I have been directed to inform you all that in continuation to this office letter no. 3/3-2020 C-I (1) dated August 14<sup>th</sup>, 2020, I have been directed to forward the syllabi of Value Added Courses allotted to the Government Colleges ( list attached ) for further necessary action. ?

This is to further inform you that a Management Information System ( MIS) for capturing attendance of students enrolled in various courses is being created separately and the link shall be shared separately.

You all are requested to make compliance of the directions issued vide 3/3-2020 C-I (1) dated August 14<sup>th</sup>, 2020 in letter and spirit.

D/A: As above

Deputy Director -I,  
for Director General Higher Education,  
Haryana, Panchkula.

From

Principal Secretary to Govt. Haryana,  
Higher Education Department,  
Chandigarh.

To

The Principals, Government Colleges in the State ( as per list attached ),

Memo No: 3/3-2020C-I(1)

Dated. Panchkula the August 14<sup>th</sup>, 2020.

**Subject:- Regarding grant of permission for " Value Added Courses" in  
Government Colleges**

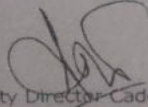

\*\*\*\*\*

May please peruse the subject cited above.

I have been directed to inform you that under the NAAC criteria for NAAC accreditation under the Key Performance Indicators and Weightage and further under 1.2.2 of the aforementioned, it is mentioned that " Number of Add on/value added courses with Number of students" 30 points have been assigned to Value Added Courses of 30 hours durations.

In light of the ongoing accreditation process in the Government Colleges the State government has decided to grant permission for 5 such Value Added Courses of 30 hours durations to the Government Colleges ( as per list attached ) with the conditions that :-

1. These courses will be taught by the regular faculty members posted in different faculties in the Government Colleges.
2. Each Value Added Course will be a "Certificate Course" and will be of 30 hours durations.
3. Under these courses in a given semester at least 1/2 batches of around 50 students each shall be enrolled for each such Certificate Course. On successful completion of the course i.e., the student has more than 80% attendance in such course and after examination the "Certificate" shall be awarded on the recommendation of the concerned College Principal, the committee at the individual College level and the teacher in-charge who has/have taught the course by the Department of Higher Education, Haryana .
4. An MIS will be maintained at HQ for students attendance which will be updated by the Principal concerned.
5. In first phase the final year students/ passing out students may be enrolled by all the colleges w.e.f the academic session 2020-21.
6. The selected teachers who will be teaching these courses will be provided on line training from the experts from Ashoka University and G.D. Goenka University.
7. The certified course curriculum of 30 hours durations for each of these Value Added Courses is being sent to the college separately through email. ?

## Report on 1 month online internship program

On

### • “Social Media Marketing”

19 Students of our college were selected for free of cost online internship program on “social media marketing” conducted by Appwars technologies and received certificate of completion the course successfully. One of our students named Komal of B.com Hons. received certificate of outstanding accomplishment.

After completing this program, students are able to earn money while operating social networking like; Facebook, Instagram, twitters, whats app etc. Appwars’ director Sh. Sonu Parkash told us that these kinds of internship are very useful for meeting the need of this competitive world. He also thanked our college team for getting participation in this program and promised to conduct continue these kind of program on regular intervals.

10 Students of our college were selected for free of cost online internship program on “social media marketing” conducted by Appwars technologies and received certificate of completion the course successfully. One of our students named Komal of B.com Hons. received certificate of outstanding accomplishment.

ONLINE EXTENSION LECTURE BY SH. NAVEEN SING H.R. MANAGER HONDA LTD.  
GURUGRAM

*Handwritten signature*

## Report of online extension lecture on "Career Planning and Managerial Skills"

On Saturday dated 17<sup>th</sup> April 2021 at 1:00 P.M., under the direction and supervision of Mr. Dinesh Singh, Principal Government College for Women Gohana, Placement Cell Convener Mr. Naveen organized an online extension lecture on "Career counseling and Managerial Skills". The extension lecture was delivered by Mr. Naveen Singh, HR Manager Honda. Above 90 students were witnessed this lecture and learnt a lot of things which are the requirement of present competitive world. Mr. Naveen Singh told the students that the syllabus which they study does not meet the requirement of present world employer. He described that knowledge of information technology, MS office, Tally, busy, html and other relevant software is a great challenge for the job seekers. He also focused on personality development of the students and told without having good personality and manners, no student can get a handsome job.

Mr. Singh explained various career options to the students after graduation in the field of economics, commerce, science and computer science. He focused on professional courses like C.A., ICWA, and CA etc. He also explained that all must have managerial skills that how they take the things and manage that and told time management is most important. All the students of our college enjoyed the lecture a lot and request to the spoke person to deliver off-line lecture whenever things change and we overcome from Corona Virus.

Sub :- Regarding sending B.Sc. Students for field trip

Respected Sir

Our college is sending 30 students of B.Sc. Non-Medical for a field trip to your industrial unit at Barhi, Sonipat.

Sh. Rajesh Kumar, Astd. Prof. of Chemistry will be accompanying the students on 21st Oct. 2020.

  
Principal  
Govt. College for Women, Gohana  
Gohana- 131301

## Field Trip to Atul Insecticides India, Mohana

Atul insecticides India provides a comprehensive solution for crop protection with wide range of herbicides, insecticides and fungicides.

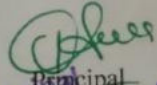

To learn the formulation and manufacturing of these herbicides, insecticides and fungicides 30 students (list attached) of B.Sc. Non-Medical visited the Atul Insecticides India Company on 21<sup>st</sup> Oct. 2020.

Students were welcomed by the management of company at reception. After some refreshment the students were briefed about safety measures and later guided to manufacturing unit where they saw the manufacturing of various insecticides like salix, zura, Vinia etc. Then they proceed to Quality control lab where they saw the working of sophisticated instruments like HPLC, GLC etc. Later they moved to marketing unit where they saw the process of packaging of insecticides etc.

# Best Practice- 2

**Title : E-Learning Initiatives**

**Objective of the practice :**

1. To allow students to continue their studies and academic activities during the Covid-19 pandemic lockdown.
2. To encourage faculty members to devote their time to the teaching-learning process in an innovative way rather than becoming frustrated and dejected during pandemic.
3. To increase the number of interactions with students
4. To encourage students to participate as much as possible in online academic and other co-curricular activities as well.

**The Context :** The globe has suffered greatly as a result of the COVID-19 pandemic; to continue academic activities in such a terrible condition, when both students and teachers are unable to attend college, online classes are the only option. As a result, our college has begun offering online classes via Google Classroom, WhatsApp groups, Zoom, and Google Meet.

**The Practice:** All faculty members have created Google classes on the Google Classroom app to continue academic activity. Passwords and classroom information were sent to all students via WhatsApp groups, and they all attended classes. All teachers provide an online link to ZOOM class/Google Meet on a regular basis through the Google Classroom app, according to the department's timetable. Students attend courses using their phones or laptops from home, and teachers keep track of attendance using a Google form. All teachers publish e-contents on a regular basis to the college MIS portal and the Google Classrooms app, and they can interact with students through Zoom app/Google Meet app interactive sessions. Students submit quizzes through Google Forms and Quizizz.com. students submitted their assignments on Google classroom app.

**Evidence of success :**

- Teachers and students were encouraged to participate in the implementation of e-learning resources.
- Uploaded e-contents can be accessed through the classroom app and the college's MIS portal.
- The Google Classroom app has all of the necessary information.
  - Students have begun to participate in numerous online competitions organised both within and outside the organization throughout their sessions.

- Various Smart Class rooms and conference room with full latest ICT amenities have been established.
- Various faculty members have set up their own YouTube account where they can share their e-content for students.

### Problems encountered and resources required:

- The process is smooth, and there are no issues with instructors, however the slow network is a concern.
- In remote locations, there is a lack of infrastructure for students to fully adoption of e-learning platform of the college
